RE: Notice of Carrying Place Agrivoltaics Project Cancellation

Dear Sir or Madam,

We hope that this message finds you well. We wanted to update you regarding the status of the Carrying Place Agrivoltaics Project located at 2553 Victoria Rd, Carrying Place, ON, K0K 1L0.

After our recent community engagement efforts and recent interconnection results from Hydro One we have decided not to move ahead with this project and terminate its lease located at 2553 Victoria Rd, Carrying Place, ON, K0K 1L0. Compass Greenfield Development will continue to look for an alternative location for a solar project that has better development characteristics.

The purpose of this letter is to inform you that the proposed Carrying Place Agrivoltaics project, specific to the address referenced has ceased development/cancelled.

We understand there may be questions from you or your neighbours, and we would be happy to answer them. Please reach out to: info@carryingplaceagrivoltaics.ca

Sincerely,

Compass Greenfield Development.
